advertisers

A great fit for mission and ministry advertisers

Faith Today is the leading multimedia vehicle to reach Canada's estimated four million evangelical Christians.

Our communication channels ensure your advertising gets your message **directly to the people you want to reach—about half are decision-makers such as pastors and elders, and the other half are active donors and volunteers in the pews.** Our readers give money and donate time to charities at well above the national averages. Most own their own homes and earn household incomes above \$150,000 per year (about double the Canadian median household income). They are spread across Canada and across more than 40 denominations.

Print + digital—get the best of both worlds

- **In print, there's 20,000 copies of every regular issue.** Print subscriptions are free in Canada, and our growing audiences also have access to complete digital editions at FaithToday.ca/Digital.
- **Each printed copy has at least a two-month shelf-life and is read by an estimated three people.** Imagine a subscriber who shares an issue with their friend, teen or grandchild, encouraging them to consider a mission opportunity.
- **Our magazine is available free on our mobile apps and in any web browser** – ensuring your message reaches tech-loving, “on the go” people who do most of their reading on their phone or tablet. Advertisers also have the option to increase reader engagement by including video in their ads.
- **Digital editions allow readers to share articles with the adjacent advertisements over social media, extending the influence of advertisements to new readers.** *Faith Today* also produces Facebook, Instagram and Twitter streams that channel users to our sites several times per week.
- **Our website FaithToday.ca and our email newsletter also accept advertising.** Our podcasts do not accept ads but they do increase readership to our other properties.
