Sample MP communication

Dear [MP's name],

Thank you for serving our community.

I'm writing to ask you to support Bill C-311, the *Violence Against Pregnant Women Act*.

Bill C-311 would signal that harming a pregnant woman is a serious crime. It may mean that judges give a longer sentence. The abuse and harm of a pregnant woman would become a factor for judges to consider in sentencing.

One of the ways we identify that a crime is serious is through higher sentences.

Please support Bill C-311 and protect pregnant women.

Sincerely,
